Care That Feels Like Home - Agency Compliance Program

Purpose:
The Agency Compliance Program at Care That Feels Like Home aims to ensure adherence to all federal, state, and local regulations relevant to home care services. This program supports our commitment to providing high-quality care while protecting our clients, employees, and agency from legal and regulatory violations.

1. Compliance Officer
Designation: The agency will designate a Compliance Officer responsible for overseeing the compliance program.
Responsibilities: The Compliance Officer will monitor compliance with laws and regulations, develop and implement compliance policies, and serve as the primary contact for regulatory inquiries.
2. Written Policies and Procedures
Development: The agency will establish and maintain comprehensive written policies and procedures that address key compliance areas.
Content: These documents will cover regulatory compliance, employee conduct, reporting fraud or abuse, and handling client complaints.
Accessibility: All staff members will have access to the policies and procedures, which will be regularly updated as needed.
3. Employee Training and Education
Initial Training: All new employees will receive mandatory training on compliance policies during orientation.
Ongoing Training: Regular training sessions will be scheduled for existing employees to refresh their understanding of compliance regulations and updates.
Documentation: Attendance records and training materials will be documented and maintained for accountability.
4. Monitoring and Auditing
Regular Audits: The agency will conduct internal audits to assess compliance with established policies and regulations.

-Monitoring Compliance: Regularly monitor services delivered to ensure compliance with legal, ethical, and safety standards.

5. Reporting Mechanisms

Anonymous Reporting: The agency will implement a system that allows employees and clients to report suspected violations of compliance regulations anonymously.

Response Protocol:A clear protocol will be established to investigate reports of non-compliance promptly and take corrective action as necessary.

6. Enforcement and Disciplinary Measures

Code of Conduct: The agency will maintain a code of conduct that outlines expected behavior and the consequences for violations.

Disciplinary Procedures: Disciplinary actions for non-compliance will be outlined in employee handbooks and implemented consistently.

7. Incident Management

Critical Incident Reporting:The agency will develop a procedure for reporting, documenting, and reviewing critical incidents.

Feedback Loop: The compliance program will include a mechanism for analyzing incidents to prevent future occurrences.

8. Continuous Improvement

Program Evaluation: The compliance program will be evaluated regularly (at least annually) to identify areas for improvement.

Stakeholder Input:Feedback from staff, clients, and other stakeholders will be considered in the evaluation process.

9. Communication

Regular Updates: The Compliance Officer will provide regular updates on compliance program status to management and staff.

Open Dialogue:The agency encourages open communication among staff regarding compliance issues, fostering an environment where concerns can be addressed openly.

10. Review and Certification

Annual Reviews:Policies and procedures will be reviewed annually and certified to ensure continued compliance with regulations.

Documentation Archive: All compliance-related documents will be kept on file for a specified period for regulatory review upon request.
