CARE THAT FEELS LIKE HOME

Date: .....

Policy: Reporting Suspected Fraud, Waste, or Abuse
Policy Title: Reporting Suspected Fraud, Waste, or Abuse
Policy Number: CTFH-002
Effective Date: 10/09/2025
Review Date: 09/10/2025

Purpose:å
To outline the procedure for reporting suspected fraud, waste, or abuse, as well as critical incidents, to ensure compliance with regulations and protect the integrity of Care That Feels Like Home.
Scope:
This policy applies to all staff, including employees, contractors, and volunteers, at Care That Feels Like Home.
Policy Statement:
Care That Feels Like Home is committed to ethical practices and compliance with applicable laws. Staff must report any suspected fraud, waste, or abuse, as well as critical incidents, to protect clients and the agency's reputation.
Procedures:
1. Definitions
Fraud: Intentionally false representation or deceit to gain an unfair advantage or benefit.
Waste: The inappropriate utilization of resources, resulting in unnecessary cost.
Abuse: Actions that are improper or harmful and can lead to unnecessary cost, harm, or injury to clients.
2. Reporting Suspected Fraud, Waste, or Abuse
- All staff members must report any suspected fraud, waste, or abuse immediately to the designated Compliance Officer.
- Reports can be made confidentially through:
Email: info@carethatfeelslikehome.com
Phone: 701-934-4903
In-Person Meetings: Scheduled at the employee's discretion.
3. Information to Include in Reports
- Detailed description of the suspected fraud, waste, or abuse.

- Date and time the incident occurred.
- Names of individuals involved, if known.
- Any supporting documentation or evidence.

4. Documentation and Follow-up
- The Compliance Officer will document all reports received and will initiate an internal investigation if necessary.
- The staff member making the report will receive updates on the status of their report, while ensuring confidentiality.

Policy: Reporting Critical Incidents
Policy Title: Reporting Critical Incidents
Policy Number: CTFH -003
Effective Date: 10/09/2025
Review Date: 09/10/2025
Purpose:
To establish a protocol for reporting critical incidents that may compromise client safety and well-being to the Department of Health and Human Services in North Dakota.

Policy Statement:
Care That Feels Like Home prioritizes client safety and well-being. All critical incidents must be reported promptly to the appropriate authorities to ensure accountability and transparency.
Procedures:
1. Definition of Critical Incidents
- Any event that results in serious harm, injury, or death to a client.
- Allegations of abuse or neglect of clients.
- Any incident involving hospitalization due to adverse reactions to care or medical negligence.

2. Reporting Critical Incidents
- Staff must report critical incidents to the direct supervisor immediately after the incident occurs.
- The supervisor or designated staff member must report the incident to the North Dakota Department of Health and Human Services within 24 hours of learning of the incident. Reports can be made via:

Phone: North Dakota Department of Human Services - 1-833-958-3500. It is answered by intake professionals from 8 a.m. to 5 p.m. Central Time, Monday through Friday.

Portal: Suspected Fraud Referral (SFN 20) form

Email: dhsvaps@nd.gov/ medicaidfraud@nd.gov

Phone: (701) 328-4024

3. Information to Include in Reports

- Detailed description of the incident, including:
  - Date and time of the incident.
  - Location of the incident.
  - Names and roles of individuals involved.
  - Immediate actions taken in response to the incident.
  - Any documentation (photographs, medical records, etc.) that supports the report.

4. Internal Documentation and Review

- All critical incidents must be documented internally within the agency's incident report system for quality assurance and staff training.
- A follow-up review will be conducted to analyze and implement corrective actions to prevent future incidents.

5. Confidentiality

- All reports and investigations related to suspected fraud, waste, abuse, and critical incidents will be treated confidentially, following HIPAA guidelines.
